

The FairTax Pledge to Our Customers

The FairTax has many significant benefits for the American economy. Among them is a lower tax burden on American businesses leading to lower costs for goods and services. The purpose of the FairTax Pledge is to demonstrate to the American people that businesses will pass on these cost savings to the consumer.

We believe the FairTax will lower our costs. We pledge to lower our prices to reflect these savings.

Company name _____

To assure we only have legitimate pledges on file at FairTax.org, we are obliged to have a physical document signed by an authorized company representative. We appreciate your help, as always. Please be sure your e-mail address is correct, so that we may communicate with you on a timely basis in the future. Mail your completed pledge to: Americans for Fair Taxation, ATTN: Business Pledge, 3900 Essex Lane Suite #328, Houston, Texas 77027.
