Dear Sir/Madam,

I am an avid supporter of the FairTax Plan, as are the majority of your constituents. I feel that passage of the FairTax bill is vital to our current economy and the future of our great nation.

I appreciate your representation as a co-sponsor of H.R. 25. I urge you, as my voice, to continue your efforts to secure more co-sponsors and get this bill passed.

I value your understanding of the problems America faces and your ability to create solutions for these problems.

Thank you for your continued support,
